## GROWTH IN SHAREABLE REVENUE TO COUNTY GOVERNMENTS

Since the onset of devolved government in the **2013/2014** financial year, the equitable share allocated to county governments has increased from **Ksh 190 billion** to the **Ksh 458.94 billion** recommended by the **Commission on Revenue Allocation (CRA)** for the **2026/2027** financial year, representing an increase of approximately 141 per cent. The CRA - recommended allocation is equivalent to approximately **23.9%** of the most recent audited and

approved national revenue (**Ksh 1,920.4 billion**, financial year **2021/2022**), well above the constitutional minimum of **15%** set out in **Article 203(2)** of the Constitution. The year-by-year allocation is shown in the graph below.
